

DELMAR SERIES. SUPREME LINEAR DRAIN 2" OUTLET. 2D SET.

- Drain base design provides a flexible 8 inch-range from the center of the shower to the left or the right allowing you to center the grate without moving the existing pipe.
- Grate can be cut to a specific length
- Removable grate allows access to the base
- SUPREME BASE houses an internal rail system which enables the grate to be in a different position than the base. Drain appears centered regardless of existing drain pipe location.
- Multiple drains can be aligned to accommodate multiple outlets.
