The range offers versatility in application, from size and shape, to joining to form extensive composite windows. The large opening casements and the slim frame members ensure maximum daylight.</p> <p data-bbox="1576 631 2096 819">An effective weatherstripping system and the option of double glazing up to 14mm in thickness, add good thermal insulation properties. A popular choice with conservationists, planners and clients such as English Heritage.</p>
