

**Disclaimer:**

All information, recommendation or advice given by General Electric Company USA, or any of its subsidiaries, affiliates or authorized representatives, whether written or oral, is given in good faith, to the best of its knowledge and based on current procedures in effect. Each user of the products shall convince himself, through all available sources (including finished product testing in its appropriate environment) of the suitability of the products supplied for its own particular purpose. Because actual use of the products by the user is beyond the control of General Electric Company, its subsidiaries and affiliates, such use is in the exclusive responsibility of the user. General Electric Company, its subsidiaries and affiliates cannot be held responsible respectively for any loss incurred through incorrect or faulty use of the products. Information, recommendations and/or advice are neither made to infringe on any patents, nor to grant a license under any patent or intellectual property right of General Electric Company or any of its subsidiaries or affiliated companies, nor to grant the right to file for any patent protection.

All offers by General Electric Plastics BV to sell and/or deliver goods or services and all agreements resulting therefrom or in connection therewith shall be subject to General Electric Plastics BV's general terms and conditions of sale, which have been filed with the clerk's office of the District Court of Breda, the Netherlands under 63/1995. A copy of these general terms and conditions will be sent to the customer at his request and is printed on the back of General Electric Plastics BV's order acknowledgments and invoices.
