

Post length calculations for standard design/normal conditions:  
 Line posts = Fabric height + 2'-8" (813 mm)  
 Terminal posts = Fabric height + 3'-0" (914 mm)  
 Footings: Diameter (4x) post diameter, min. depth 3'-0" (914 mm)

**Wheatland Tube Company**

**Typical Chain Link Fence Elevation - Type "DD"**

Top and Bottom Tension Wire
