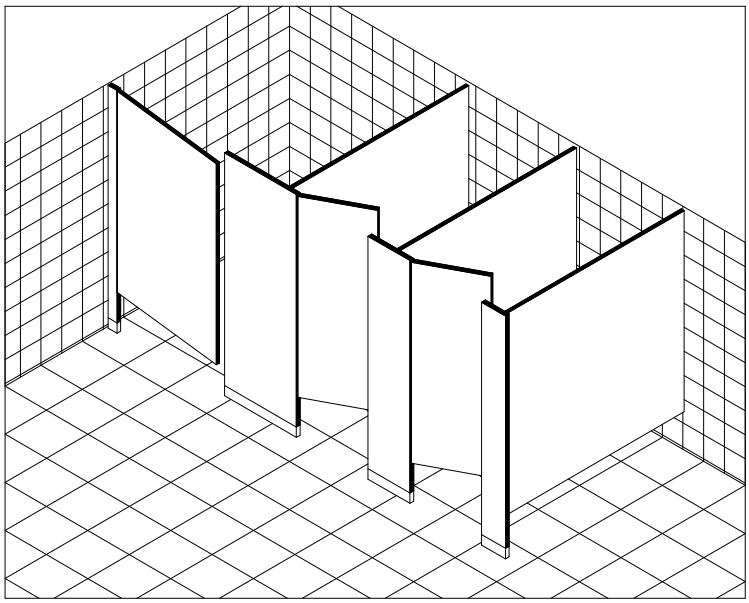
Color Thru Solid Phenolic Core
Series 30 - Floor Mounted



Slate	Brick	Lapis
Pebble	Olive	

Scope - Color Thru Solid Phenolic Core toilet, shower and dressing compartments are fabricated of SPC with matte finish. Completely water resistant, impervious to steam, soap, and detergents. Will not mildew.

Panels - Will be 1/2" thick

Doors - Will be 3/4" thick

30 Series Pilasters - Will be 3/4" thick. Pilasters are to be anchored to the floor with standard 3/8" threaded rod, hex nut, and washer to provide vertical adjustment and necessary strength.

Hardware - To be heavy casting non-ferrous alloy, chrome-plated and aluminum. Toilet compartment will be provided with all hardware and fasteners for a complete installation for a standard installation with masonry block walls and concrete floors.

Brackets - Chrome plated stirrup brackets. Single ear will be used at pilaster to wall and end panel to walls. Double ear brackets will be used at intermediate panel to walls. U brackets will be use for panels to back of pilasters.

Door Hardware - Aluminum wrap around hinges. To be secured to pilaster and doors with thru-bolts. ADA doors will be provided with ADA coat hook, double sided door pull, and door bumper. Standard doors will be provided with surface slide latch and combination coat hook / bumper.

Shoes - To be 5" high, .031 stainless steel.
