Hadrian ELITE SERIES - Powder Coated Toilet Partitions - Floor to Ceiling

Important Notes:
Structural steel or pre-cast concrete as support in ceiling. Structural support and drilling for studs by others. Studs available from Hadrian but installed by others.

Refer to final drawings for wood blocking information. Wood blocking is critical to ensure a rigid installation.

Hadrian supplied ceiling studs MUST be used to create a secure installation.

Barrier-free units can be mounted 229mm (9") above the floor upon request.

Maximum recommended floor to ceiling distance: 3099mm (122")
