

Top view illustrating the removal of either one Rainstore3 structure column for a 9" access or four columns for up to a 16" maintenance port

Four Rainstore3 vertical columns removed allowing up to a 16" access riser.

9" o.d. PVC riser
 Sections of Rainstore3 structure that must be removed to allow space for PVC riser. Separate plastic connections with utility knife or heavy shears.

RS3 Maintenance Port

NOT TO SCALE

Method for providing inspection and cleanout access
