

Scott Young To Retire From Stockton Products™

Scott Young retires after 24 years with Stockton Products™.

(North Las Vegas, NV) For Immediate Release

After 24 years, Scott Young is retiring from Stockton Products™. With a combined 34 years in the construction products business, Scott will be stepping down to leave room for the next generation to carry on the traditions set before them. When asked what he wished his legacy to be, he said that he hoped he had helped make our industry better. He had high praise for all of the industry friends and associates who helped him through the years.

Please fill free to contact Scott and help us wish him a great retirement!
