

**Section 1 – Product and Company Identification**

Product Name: FORPAC® RC Sound Control Underlayments

Manufacture / Supplier: FORPAC® Products, Inc.  
1603 Grove Ave  
Haines City, FL 33844

Emergency telephone number: 863-204-8020

**Section 2 – Hazard Identification**

These products are non-hazardous

**Section 3 – Composition / Information on Ingredients**

There are no substances in these products presenting a health or environmental hazard within the meaning of the Chemicals (Hazard Information & Packaging for Supply) Regulations

**Section 4 – First Aid Measures**

<b>Inhalation:</b>	no specific measures required
<b>Eye Contact:</b>	no specific measures required
<b>Skin Contact:</b>	no specific measures required
<b>Ingestion:</b>	no specific measures required

**Section 5 – Fire Fighting Measures**

**Suitable Extinguishing Media:** Water spray jet, foam, dry powder, carbon dioxide

**Extinguishing media that MUST NOT be used:** N/A

Special exposure hazard arising from combustion products, resulting gases: carbon monoxide, hydrogen chloride, sulfur oxides, nitrogen oxides, aromatic hydrocarbons, PAH's, particulate matter, ozone, heavy metals.

**Special protective equipment for fire fighting:** Use respiratory protection independent of recirculated air

**Section 6 – Accidental Release Measures**

**Personal precautions:** No special measures required

**Environmental precautions:** No special measures required

**Methods for cleaning up:** Dispose of according to regulations

**Section 7 – Handling and Storage**

**General information:** No special protective measures required

**Handling:** Normal safe handling practices must be applied

**Storage:** Rolls should be stored horizontally

**Section 8 – Exposure Controls/Personal Protection**

**Personal protection equipment:** None required

**Section 9 – Physical and Chemical Properties**

**Appearance:** Various designs and colors, made with black recycled rubber, colored rubber and granular cork

**Section 10 – Stability and Reactivity**

**General information:** If stored and handled in accordance with standard industry practices, no hazardous reactions are known

**Hazardous decomposition information:** Thermal decomposition in the presence of air may yield hydrogen chloride gas, carbon dioxide and carbon monoxide

## Section 11 – Toxicological Information

**General information:** No harmful effects have been reported to date

**Inhalation:** not applicable

**Skin contact:** no known hazard

**Eye contact:** not applicable

**Ingestion:** not applicable

## Section 12 – Ecological Information

**Environmental fate and distribution:** The floorings have no mobility in soil; are insoluble in water; are not expected to bioaccumulate

**Persistence and degradability:** The floorings will not biodegrade

## Section 13 – Disposal Considerations

Disposal of this material must be conducted in compliance with all federal, state and local regulations.

## Section 14 – Transport Information

The floorings are not classified as dangerous for transportation

## Section 15 – Regulatory Information

The floorings are defined as "not hazardous" in the Chemicals Hazard Information and Packaging regulations (CHIP3)

## Section 16 – Other Information

FORPAC® provides a Safety Data Sheet (SDS) for finished floor covering products based on the "article exemption" found in 29 CFR 1910.1200 (b) (6) (v). An article is defined as: "a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture; (ii) which has an end use function dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use, does not release more than very small quantities, e.g. minute or trace amounts of a hazardous chemical and does not pose a physical hazard or health risk to employees." Disclaimer: Although the above information is presented in good faith and believed to be correct as of the current date, FORPAC® gives no guarantee and disclaims responsibility for individual items being incomplete or incorrect. Furthermore, FORPAC® gives no guarantee that all possible measures are contained within the safety data sheet (including exceptional circumstances)
