

# PLASTI SHIELD™ PRO REUSABLE PROTECTION

Say goodbye to heavy, bulky hardboard sheets, and hello to Plasti-Shield Pro™.

High density corrugated plastic sheets are reusable, liquid resistant, and **60% lighter than Hardboard**. Plasti Shield Pro is ultra heavy-duty, and one of the most versatile products, perfect for floor, wall, counter-top, and window protection. Also available in a fire retardant version.

**TOUGHER  
THAN THE  
JOBSITE.™**

**40% STRONGER THAN STANDARD PLASTI SHIELD®\***
