

Rubbermaid Commercial Products HYGEN™ Disposable Microfiber helps improve cleaning efficacy, by removing 99.7% or more of tested viruses and bacteria*† with water only.

Features and Benefits:

- Removes 99.7% or more of tested viruses and bacteria*† with water only.
 - †Tested viruses: *Feline calicivirus*, Common human coronavirus *OC43*.
 - †Tested bacteria: *Pseudomonas aeruginosa*, *Clostridioides difficile*, methicillin-resistant *Staphylococcus aureus*.
- Helps reduce cross-contamination with low-linting,** single-use application that encourages cleaning with a new microfiber for each area or task.
- Safe to use with common disinfectants like quat, chlorine bleach, and hydrogen peroxide.

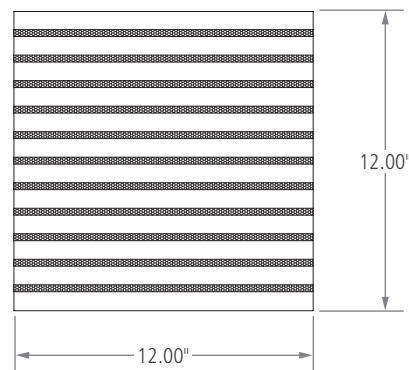

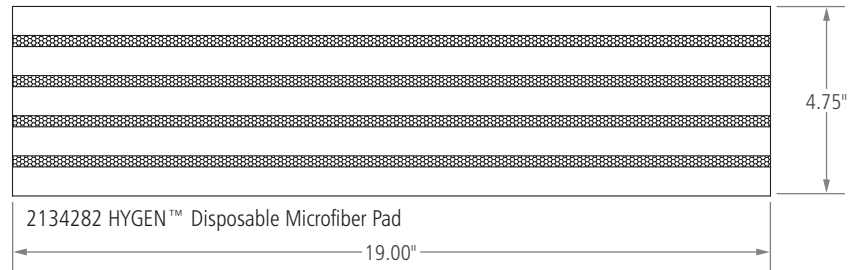

Colors Available:

- Pad/Cloth: White with blue stripes
- Charging Tub: White
