

# Soliris Sun Sensor

The Soliris Sun Sensor is ideal for measuring luminosity in connection with the Animeo solo 1 zone (part# 39-5291-00) and Animeo Solo 2 zone (39-5292-00) control systems.

**PART NUMBER:** 39-5293-00

## TECHNICAL SPECIFICATIONS

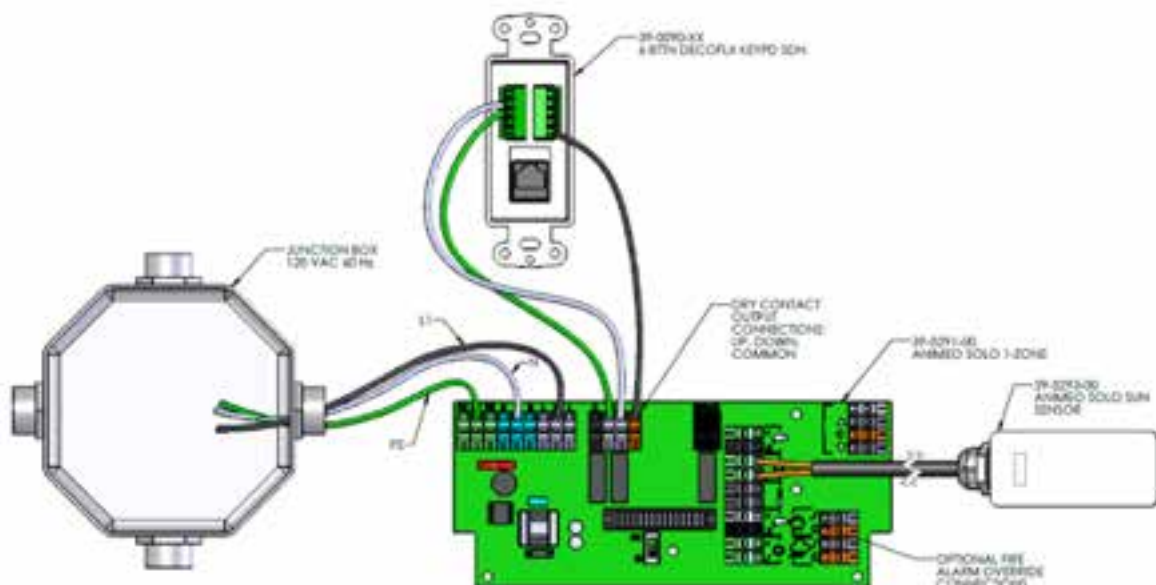

- Body – 1.85" W x 3.46" H x 1.34" D
- Wiring Recommendations: Minimum 2 conductor, 20 awg
- Material: ABS
- Protection Class: III
- Weight: 42 grams

## PRODUCT FEATURES AND BENEFITS

- For outdoor use
- Collects luminosity up to a 150-degree angle
- Output is displayed in Lux in Animeo building control solutions
- One sun sensor per zone
- Mounting bracket included
- Five-year warranty
