

The Mezzanine Clear Height Safety Gate

The MZ-Clear Height Safety Gate protects employees in elevated mezzanine loading areas with no height restrictions to accommodate tall loads. Its counterbalanced gates ensure that one gate is always between your employees and the leading edge, allowing you to load and unload material while keeping your employees safe.

Easy to install

Available in carbon steel in safety yellow powder coat

Meets or exceeds OSHA, IBC and ANSI standards

Determining the proper gate size for your application only requires the measurement of the inside clear opening.

A36 Carbon Carbon Steel Galvanized

Model No.	Fits Clear Opening	Max Open Height	Est. Weight
CH15-64PC	64"(w) x 42"(h)	81.65"	190 lbs
